

The Federal Communications Commission

Dear The Federal Communications Commission,

I DO NOT WANT TO PAY MORE FOR MY TELEPHONE SERVICE. I urge you to REJECT A FLAT FEE PROPOSAL that would change how contributions are made to the Universal Service Fund. this proposal WILL make my current service ABSOLUTELY unaffordable for me, being just on Social Security!

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls. In other words, low-volume and primarily residential customers would bear the same universal service fund burden as a high-volume residential or business customers. THIS IS COMPLETELY UNFAIR AND WOULD CAUSE SUCH A BURDEN TO ME FINANCIALLY THAT I WILL HAVE TO GIVE UP MY PHONE. I NEED THIS PHONE FOR MY MEDICAL NEEDS!!!!

I use my wireless phone for safety, security and MEDICAL PURPOSES. I don't want to lose these benefits so that big businesses can pay less than their fair share. PLEASE REJECT THIS PROPOSAL TO MOVE THE USF COLLECTION SYSTEM TO A FLAT FEE. Keep the USF Fair!

Sincerely,
